

Dear Friend of Trinity House Community,

As the year draws to a close, we reflect on the journey of Trinity House Community, a journey made possible by your steadfast support and God's grace. Just five months ago, we embarked on an ambitious endeavor—launching the Trinity House Community Groups subscription model. This initiative, now accessible to any parish nationwide for just \$499 a year, has revolutionized how we serve families through our transformative *Heaven in Your Home Gatherings*.

In just 90 days post-launch, we expanded from 2 to 14 groups. Each Trinity House Community Group stands as a testament to the power of faith, connection, and shared experiences. Imagine a family, much like yours, finding a renewed sense of faith and community through our program. That's the story of so many families in these new groups—three of which are Spanish-speaking! —a story written by you.

"Our Trinity House family gatherings equip us with tools and the support of our parish community to joyfully live an authentically Catholic family life. It's been awesome to share this journey with so many other families who are also working to build the Kingdom in their homes." —Matt and Barbara Panning, Leesburg, VA

We are now working with parishes and dioceses in five states—Virginia, Maryland, Michigan, Massachusetts, and Florida—as well as Puerto Rico, the Netherlands, and Kenya! And this growth is not going unnoticed. We're regularly receiving calls from diocesan officials, priests, and lay-leaders nationwide, all echoing the critical need to reconnect families with the joy of faith and authentic community.

As we look to 2024, your support is more crucial than ever. Whether you've been with us from the start or are newly joining us, your support is crucial. And now, with every dollar matched up to \$50,000, your gift of \$500, \$250, \$100, \$50, or even \$25 will have double the impact. However, any gift, at any level, would be a great blessing.

Your involvement and support of Trinity House are invaluable. We are deeply grateful for your financial and spiritual partnership, and prayers, and we thank you for believing in our mission to renew family life.

Gratefully in Christ,

Soren and Ever
Executive Directors
